You will notice signage in the Centre around social distancing and new ways of movement of customers through the scheme. We appreciate some of these further changes will be new to

many of us, but we would urge all our visitors to adhere to these measures and request you respect our staff on site who at times will be assisting with control of customers in the Centre for the safety of everyone.

We would like to thank our retailers who are all working extremely hard in very challenging and unprecedented circumstances to ensure visitors are able to access goods and services.

We would appreciate your support in respecting Government's advice to adhere to social distancing.

Thank you for your co-operation
